Global Apostolic Network – Update 28-2-2009

We are excited to advise you that this network is increasing rapidly both in Australia and overseas. We will through this update be keeping you up with what God is doing and what is happening.

Already this year I have ministered at a Pacific Islands Apostolic Conference in Brisbane, at Pastor Raff Shaw's Tent of Miracles in South Australia where there were outstanding healings, miracles and deliverances amongst the crowd of 500 attending. Apostle Bill Pryor, president of International Apostolic Ministries and Pastor Raff Shaw both ministered powerfully. In addition we had great meetings in Perth, Gladstone and Rockhampton and Deception Bay.

Apostolic Lunch:

On the second Monday of each month a growing group of ministers meet from 10.00 am to 2.00 pm at Christian Family Fellowship for lunch, sharing what God is doing and an Apostolic Message. You are all invited to attend this lunch.

Each Tuesday I meet with a group of ministries led by Apostle Kelly Roquica from Fiji who pastors a church in the western suburbs.

Future Events:

The ninth annual missions summit will be hosted by Dr Garnet and Bette Budge from Sunday 22nd to Wednesday 25th of March at Christian Family Fellowship, 13 Watland St Springwood, QLD, 4129.

Visitors are coming from Africa, India, Vanuatu, and Papua New Guinea, other Pacific Island Nations plus most states of Australia. Speakers include –

- Pastor John B Lowe from Indiana USA
- Pastor Jerry Cox from Michigan
- Dr David Kandole from USA and East Africa

- And others

Members of both the International and Australian boards of Global Apostolic Network will also be present so plan to attend and meet them personally. We need you to register for catering purposes (\$25.00 per day for meals).

Our vision is to impact the nations with Apostolic Restoration and it starts with helping you. You will receive further updates from time to time which we trust will encourage and inspire you.
